

BEAUJOLAIS NOUVEAU SNEAK PREVIEW

For two weeks starting Sunday, November 1st, The Tavern at Lark Creek will be celebrating the first Beaujolais Nouveau of the 2009 California harvest. This is your exclusive chance to taste the exciting new Andrew Lane 2009 Beaujolais Nouveau, directly from the barrel, a full three weeks before it's bottled.

We'll also be featuring a special Beaujolais Nouveau-inspired three-course prix fixe dinner menu every evening through November 15th for just \$27.95.

So mark your calendar. The festivities kick off with a special Sunday Brunch at The Tavern on November 1st and will continue non-stop, for two fun-filled weeks. If you enjoy Beaujolais Nouveau, why wait any longer?
